Report Details

The committee reviewed the scholarship rubric and discussed the budget allocation of \$2,500. The committee will need to decide on how to disburse the \$2,500.00 for each county. We discussed the carryover balance of \$5,500. The committee will follow up with 2025 scholarship recipients who have not yet submitted the required documentation to ensure funds can be disbursed. Additionally, it was recommended that future scholarship applications include a clearly defined deadline for submitting required paperwork in order to receive funds. Also, the committee discussed future fundraising events.

Report Summary

At this time the committee is still receiving scholarship applications.
